## Komax Mira 230 Stripping Blades

Used In These Machines

Komax  
Mira 230

The Komax Mira 230 Machine is supplied with a set of (2) "Universal" Stripping Blades to remove the insulation from the end of a wire. Blades for the Komax Mira 230 are made from a specially alloyed tool steel. In addition to the Universal Stripping Blade design, Mechtrix also offers both our patented M-Series and Full Radius stripping form geometries for processing difficult insulations in the Komax Mira 230 Machine. Please contact Mechtrix for assistance in selecting the appropriate style and size blade for your particular application.

### Komax Mira 230 Universal Blades

Mechtrix Description	Mechtrix Part Number	Blade Form Diameter		OEM Part Number
		(in)	(mm)	
Komax Mira 230 Universal Strip Blade	36426	-	-	0358582 0357311
