## Schleuniger MC-252, CoaxStrip 5300 MX and CoaxStrip 5300 RX

Used In These  
Machines

The Schleuniger MC-252, Coax Strip 5300 MX and Coax Strip 5300 RX Machines use either a two or four blade set-up to cut a wire to length and then remove the insulation from the end. Mechtrix blades for these machines are made to precision standards from specially selected tungsten carbide to insure optimum performance and blade life.
